

In the drawings:

Please replace the informal drawings filed with the application on February 6, 2002, with the formal drawings, FIGS. 1-3, on the enclosed 3 replacement sheets. FIGS. 1 and 3 are the same as the previously filed informal drawings. FIG. 2 has been amended as follows. Element 230 has been changed from a diamond shape including the question "Use existing electronic signature appearance?" to a rectangle shape including the statement "Use existing electronic signature appearance", and the word "Yes" below the diamond shape has been deleted. The amendment is consistent with the description of FIG. 2, and in particular of element 230, included in the specification at page 5, lines 22-25. No new matter is added.
